Here is a link to the Itzehoe twinning website. The association, fronted by Renate Wilms-Marzisch, is very active and regularly extend invitations to Cirencester to visit.

The **next visit** proposed is the first weekend of December for the Christmas Markets. Already there have been three or four enquiries from Cirencester and we are waiting to hear about a proposal for timings to try and coordinate arrival times. If numbers from Cirencester increase significantly, we may look into joint travel. The last trip was for 13 and it was more cost effective for individuals to book onto the same flight from Heathrow to Hamburg on BA. Keep you posted!
